Better Business Bureau

Dear Better Business Bureau:

I wanted to write to you and tell you that Wilmeaux Construction performed some work on our house this summer. We are very pleased with the end result and couldn't be happier. Tim Wilmont and Cory Primeaux did an excellent job. They were also friendly and easy to work with while they were completing the job. I highly recommend Wilmeaux Construction for anyone looking for an improvement to their home or office.

Randy Baggett
