RE: Wil-Meaux Construction

To Whom It May Concern:

As the owner of a small business, I know how important it is to have a good record with your organization. I'm sure most of the comments you receive from the public are those with negative attitudes. I want to take a moment to give you extremely positive feedback regarding the services of Mr. Tim Wilmoth and his construction company, Wil-Meaux Construction.

In the later part of 2004, Wil-Meaux Construction was the company I chose to remodel my office. They also built an addition to the office. I was very pleased with the outcome of the project. The quality of his work is impeccable.

The prices charged by Wil-Meaux Construction were competitive with the other companies that submitted bids for this project. Mr. Wilmoth completed the job timely and did not exceed his bid price. I was completely satisfied with Wil-Meaux Construction and will recommend this company to anyone needing remodeling or new construction services.

With kindest regards, I am

Sincerely,

EDWARD K. BAUMAN
